

ETR70S

NEW! Subaru Powered

- Heavy duty composite handle rollers help facilitate loading and unloading
- Side and lower engine guards protect critical components from damage
- Three function throttle assembly, controls speed, fuel and engine shut off in one convenient operation
- Steel and laminated wood rammer shoe reduces operator shock and ensures longer wear
- Lower leg assembly sight glass allows operator to check oil at a glance
- Subaru ER12 four stroke gas engine produces higher horsepower, provides tilt control safety
- Low oil shutdown
